FREQUENTLY ASKED QUESTIONS

How much will I receive?

Salary supplement amounts are tied to the individual's level of education. Awards are issued in six-month payments. The amount received will reflect time worked during the six-month period; supplements for part-time employees are adjusted based on a 40-hour work week.

FREQUENTLY ASKED QUESTIONS

Do I have to pay taxes on the supplement I receive?

Yes, because the salary supplement is income. Participants will receive an IRS-1099 form at the end of the year if they received \$600 or more from Iowa AEYC during the calendar year. Participants are responsible for reporting and paying personal income taxes due.

Will I receive a supplement if I move to another early care and education program?

Checks are sent to participants after each six-month period worked in the same program. If a participant moves to another eligible program within the six months, no check will be sent to the participant until they have been at the new program for six months consecutively and completed a new WAGES application from the new site.

SUPERVISORS: NEXT STEPS

THE APPLICATION PROCESS

As the program director, you will complete pages 4-5 of the WAGE\$ application. Page 4 is the general information on the program.

Page 5 contains the employee's employment verification as well as the program agreement – a signature is required in this section.

EMPLOYMENT CONFIRMATIONS

You will be contacted by a WAGE\$ Counselor to verify employment for WAGE\$ participants after they complete each of their six-month commitment periods.

For each individual being confirmed, you will need to provide the following information for that six-month period:

- Weekly work hours/schedule
- Amount of leave taken
- Ages of children in their care
- Current position

- Hourly rate of pay
- Additional education

If a current participant leaves your program or is terminated prior to the confirmation call, please notify us of this change as soon as possible.

UPDATING PROGRAM INFORMATION/EVALUATION

- **Complete and return a program update form –** This helps us gather the information on your program required by our funding partners. These forms will typically be sent once per year.
- **Complete evaluation of the WAGE\$ program –** You will receive an online survey annually. We appreciate your feedback on the WAGE\$ program.

HOME PROVIDERS: NEXT STEPS

REQUIRED DOCUMENTS

- **Home Provider Schedule Worksheet** – This is an important form for home providers. You will receive a blank copy every six months, prior to your confirmation phone call, to complete and return in a timely manner. This should be as detailed as possible to reflect child enrollment for an average month. Carefully list the days/times each child is in care.
- **Schedule C** – We require a copy of your most recent Schedule C (profit/loss statement) each spring after you file taxes. Send this as soon as taxes are filed – no checks can be issued after July 1st without this form on file.

- **WAGE\$ Evaluation** – You will receive an online survey annually. We appreciate your feedback on the WAGE\$ program.

EMPLOYMENT CONFIRMATIONS

You will be contacted after each six-month commitment period to verify that you have provided care.

If we are unable to confirm with you within two weeks of the end of your commitment period (the 1st day of the 7th month), you may be moved forward to the following month, delaying your check.

The dates for your six-month commitment period are listed on your award letter – always review the letter included with your check.
